Hot Springs Ark.
February 1, 1937.

Memorandum for Inspector E.J. Connelley.

BREKID.

Attached are the logs for January 27, 37, on telephone #125, 446 and 648 Located at Hot Springs Ark.

It appears from the conversation between Captain Jerry Watkins and Phillips (Jimmie Phillips, Mgr. Southern (b), overheard at 2.51 P.M. over #446, that Watkins is either presently residing in or intends to move into the house at 125 Florence St.. The conversation indicates that this house is owned by Phillips.

Your attention is called to the following conversations; 4.15 and 4.18 P.M. over #125; 4.35 and 4.37 P.M. over #446; 4.45 and 4.50 P.M. over #125, where it appears that Akers is not interested in prosecuting Attorney Frieder for writing a bad check but is working with the Vance Brown who hopes to locate Frieder so that he can get a "Cut" in inducing Frieder to make the check good.

Previous reports have set out conversation between Grace Goldstein and Dutch Akers concerning a ring that Grace Goldstein bought. The ring apparently was stolen and "Dutch" apparently got \$50.00 from the sale. The call at 6.28 P.M. over #125 apparently had reference to that sampling.

Note call at 10.55 P.M. over #446 where Officers Lys and Bradley report they are telephone #116, which is the Miller's Cigar Store, a gambling house.

In the conversation at 9.18 A.M. over #648, the Mayor tells Carroll Hollingsworth, a State Representative, a story, somewhat awry, to make his point that the State Legislative Committee is aiming at him in investigating Circuit Judge Earl Witt. Also note statement of the Mayor that he made \$25,000.00 for the city out of that thing (probably referring to gaming houses).

In the conversation at 8.48 A.M. over #648, Judge Leewood agrees to fix a parking or traffic ticket.

Respectfully submitted.

Mrs. Mobin: This is Mrs. Mobin. Have you had a chance to do anything yet?

Mayor called Carrace Hollingsworth

Hollingsworth: Hello -

Mayor = This is Leo - what's going

Hollingsworth = Nothing - they are
trying to get some money.
(Probably referring to the
Committee investigation
conditions at Hot Springs).

They are all tied up and are
trying to get it from the
House Contingent Fund but
they can't get that.

Mayor - Any body from here been
over there?

Hollingsworth - No - as I told you there
is only one thing that will
cause us any worry.

Mayor - Yes - I know.

Mayor: I want to tell you a little story: - you heard about the man who went to the Doctor and asked the Doctor to give him a dose of Clapp. The doctor asked him why and he said - well - I want to give it to the hired girl so the hired girl can give it to Father - so Father can give it to Mother - so Mother can give it to the preacher.

The theory of that story is this - they don't care so much about Judge Witt - but thru him they think they can get me. I'm responsible for what goes on here. Last year I got \$25000 for the city out of that thing (Gambling Houses) and what I don't want is an

innocent man hurt. Why don't
they make my wife testify.
Hollingsworth - She's got a smart lawyer.
Mayor - Ah - Hell - She don't
know anything. I'll send
you a letter this weekend
by registered mail so it
won't get lost.

Memo. to Inspector E. J. Connelley:

Re: Brekid.

Attached hereto are the logs on the taps on telephones numbered 123, 446 and 648. at Hot Springs Ark. also attached are clippings from Hot springs newspapers for 1-28-37

Note should be made of the telephone call at 9:10 P.M. over #446 where Herbert (Dutch) Akers converses in a friendly fashion with a girl who gives her address as 708 1/2 Central. This is the address of a house of prostitution run by a woman named "Bessie".

Your attention is also directed to a conversation at 9:00 A.M. over #648 between Mayor Leo P. McLaughlin and W. S. Jacobs. The exact nature of the subject of this conversation is not known but it appears that the Mayor is doing some kind of work for Jacobs. It has previously been reported that the Mayor represents Jacobs in a legal capacity.

In the newspaper clippings above mentioned it will be noted that the Mayor in representing the chamber of commerce is opposing the sale of radio station KTHS at Hot Springs Ark. to Col. T. H. Barton of El Dorado Ark. It will be recalled that in previous conversations overheard on the taps that the Mayor himself has a plan whereby he, himself, can make some money from the sale or leasing of this same radio station.
